

May Day March & Rally

Celebrating Our Working Communities!

Who are we?

In honor of International Workers' Day, MEChA de Vassar College is celebrating the spirit behind the shared struggles of workers and immigrants for dignified living conditions and basic human rights. In addition to fostering a sense of solidarity, we hope to connect the diverse voices and concerns of the people of Poughkeepsie with the greater civil rights and immigration rights movements.

Sunday, May 1st, 2011
City of Poughkeepsie
