

VASSAR STUDENT ASSOCIATION

Council Agenda for October 12, 2014

Time: 7:00pm

Location: College Center 223

“It has always seemed strange to me... the things we admire in [people], kindness and generosity, openness, honesty, understanding and feeling, are the concomitants of failure in our system. And those traits we detest, sharpness, greed, acquisitiveness, meanness, egotism and self-interest, are the traits of success. And while [people] admire the quality of the first they love the produce of the second.”-John Steinbeck
