

VSA Council Emergency Meeting
11/19/2013 - 7pm CC204

Misc. asks for permission to record. People go around and say whether they consent to this or not. All consent.

President - the only thing on our agenda is deciding how we will be filling the VP Student Life position after the resignation. After meeting, I ask that all council members remain. Activities committee is at 7:30.

2014 - It is the recommendation of board of elections and ops that we fill the position by special election, beginning tonight until Sunday at 7pm. Voting would be from Tuesday noon to Wednesday at noon. It is an expedited timeline because of the upcoming break and importance of the position. Moves to fill position of student life by special election, which follows the timeline that you all have. Motion passes with all in favor.

Pres. - That is all, thank you. Thank you misc.
