

VASSAR STUDENT ASSOCIATION

Council Agenda for September 9, 2012

Time: 7:00pm

Location: College Center 223

If farmers and blacksmiths could win independence from an empire ... if immigrants could leave behind everything they knew for a better life on our shores...if women could be dragged to jail for seeking the vote...if a generation could defeat a depression, and define greatness for all time ... if a young preacher could lift us to the mountaintop with his righteous dream ... and if proud Americans can be who they are and boldly stand at the altar with who they love...then surely, surely we can give everyone in this country a fair chance at that great American Dream.
